Dear Friends in Christ,

I am delighted to offer you the opportunity to participate in the very successful *Baby Bottle Campaign* jointly sponsored by the Diocese of Winona-Rochester and Catholic Charities Pregnancy, Parenting, and Adoption Program. Each year more than 100 parishes, Catholic schools, Council of Catholic Women, Faith Formation Programs, Knights of Columbus, Newman Centers and other groups add their change together to raise funds that support women choosing life! I encourage your participation to support this project in 2021 during Respect Life Month in October!

This is a wonderful, hands-on activity that parishioners or students can participate in. The Baby Bottle Campaign is a great project for providing individuals and families a chance to offer a real response to women choosing life over abortion. Please think and pray about what group in your parish or school could most benefit from providing leadership for this campaign.

Enclosed you will find information regarding how to become involved with the campaign.

Thank you for prayerfully considering this important Respect Life opportunity for your parish or school.

Sincerely yours in Christ,

Most Rev. John M. Quinn  
Bishop of Winona-Rochester
