### About Brian:

I am hardworking, adventurous and a man of many skills. I like to take Alyssa on adventures, going to county fairs to ride the carnival rides and having dance parties in the living room. We enjoy playing in our backyard on the swing set that I built. I enjoy backpacking, camping, skiing and biking with my family. I also enjoy flying R/C airplanes and I will teach my children how to fly when they are old enough to fly them. I am self-employed as a Residential Contractor and the current owner of a construction business. Owning my business allows flexibility in my work schedule. Brian is the oldest of

five children; three brothers and one sister. My sister is married and has four children; 2 nephews and 2 nieces. I also have one brother who is married; 1 nephew. I enjoy playing with Alyssa and watching Alyssa have fun with her cousins. My parents and siblings live close by and we see them often for family gatherings; holidays, birthdays, celebrations or just a spontaneous get together.

**About Kay:**

I am caring, hardworking, and empathetic. I enjoy scrapbooking, skiing, biking, walking, and backpacking in the outdoors. I also enjoy going on adventures with our family. I enjoy dance parties and playing games with Alyssa. I am employed at a local clinic as a Licensed Practical Nurse. Kay is the youngest of four children - two brothers and one sister. All of my siblings are married and have grown children. I have 5 nephews, 3-step-nephews, 2 nieces, 2 great nieces and 6 great nephews. My family lives a couple of hours away from us. When we go to visit, we are able to see many relatives as many of them live close to each other. We get together for holidays, weddings and family celebrations. We try to make a monthly trip to visit my side of the family.

**About Alyssa:**

I am excited to be a big sister! I am adopted and get to see my birthmother. I am happy and full of energy. I love being outdoors - going for walks, riding bike, swimming and skiing with my family. I have a love for music – love to sing and dance! I love animals; especially puppies, I enjoy making people laugh, and I love yellow and rainbows.

**About Us:**

We met 16 years ago at college. We started dating in 2003 and we were married in August 2005. Each year we enjoy taking vacations. It is nice to take a break and spend time together sightseeing. Our children will vacation with us and make many memories as a family. We attend church together regularly and daily prayer. Our children will be raised Catholic. We attend a rural Catholic Church with Brian’s parents. Our family enjoys outdoor activities including camping, backpacking, skiing and biking. Outdoor activities will continue to be a part of our daily lives.
